Public Participation.

Mrs Berriman asked for an update on repairs to Wolds View. Cllr Burley reported that this is being disputed between the departments of housing, highways and the refuse. As this has been outstanding for over a year, Cllr Burley will try to get some action by raising it as a health and safety issue. It is a trip hazard.

Mr Stanton has owned an allotment since 2004. He is not happy with either the rent increase nor being issued a new tenancy agreement without consultation. The Council will seek advice regarding the legal standing of existing tenancy agreement and then decide how to progress.

Out of respect for the passing of a dear resident, Mrs Monica Burley and due to the fact that Parish Matters advertising the meeting has not yet been distributed, the Council decided to postpone the Annual Parish Meeting until Tuesday 25th April at 7:30pm.

- b. New bench in Givendale - feedback from Cllr Francis, this has now been installed. Mrs O'Grady, the person who has organised this, seeks the Council's permission to install a planter for her bulbs. East Riding Council have no problem with this. The Council has no objections.
