

## Millington Village Hall – become a trustee

Would you be interested in becoming a trustee of Millington Village Hall? As trustees we look after the hall and keep it running for the benefit of the community.

Meeting about 4 times a year we plan events, look after the overnighters (mainly thanks to Camilla and Peter) and organise any repairs and improvements.

There is space for more trustees so if you would like to get involved please let any of the committee know.

The committee is Mike Cargill, Sally Bramhall, Johanna Morrill, Lynn Berriman, Moira Baldwin, Camilla Inglis, Joyce Taylor, Jon O'Connell and representing the Parish Council is Laura Burley.

## Damaged Memorial Bench

During harvest a lorry transporting peas for Birdseye backed into the memorial bench near the church and damaged it beyond repair.

The company has paid for a new replacement which is now in place.

In addition, we have set up the 'Millington cum Givendale' Facebook page. We will use this to share information on village events and any other information which may be of interest. Please find us and 'like' and 'share' amongst your contacts.

Recycling in the village was another area raised and the council is to look into the feasibility of communal recycling points.
