

Village newspapers

A Big Thank You to Janet Curtis who, since 2007, could be seen cycling around Millington delivering the daily Newspapers. It was a great service offered and everyone receiving them was extremely grateful.

The service has now ceased, but Danby's of Pocklington can be contacted should anyone wish to have a paper delivered.

The Ramblers Rest

The Ramblers Rest and B&B has had a fantastic Summer welcoming back customers old and new, along with our regulars from the village. We would like to thank everyone for their continued custom and much needed support over the last year and look forward to this continuing over the Winter months and festive season.

We would all like to wish Dan, Harriet and family all the best over at The Gait Inn.

Yorkshire Day

It was so nice to see so many people from the villages join in with the Yorkshire Day Celebrations back in August. Planning the event had been tricky as it was always difficult to know what we could and couldn't do and also what people were comfortable with.

This year we focused on the Betty Clarke Tea Party, which was very well supported. Our thanks go to everyone who helped, from putting up the marquee and bunting, leaflet distribution, to preparing food and entertainment and so much more.

Special thanks to the Fogglesyke band for playing once again and raising a brilliant £130 for Macmillan Cancer Support. Later in the afternoon, local teenager Joe Cheney sang live from the marquee. He was very very good and needless to say we have already booked him for next time!

From Millington PCC

Thank you to everyone who had a go on the Yorkshire Day Tombola. You raised £122 for St Margaret's Church fabric fund, which was a magnificent total and the Parish Church Council is very grateful. Thank you also to those who provided prizes, prepared them and helped on the day. A successful and enjoyable effort.

Parish Council miscellany

Tree Planting

The Parish Council is currently waiting to hear back to see if a bid for a grant to enable us to plant further trees in the Parish has been successful. We are very keen to see the area enhanced by trees and to replace any which are dangerous. More news to follow.

Road Closures

The Parish Council has contacted ERYC Highways department about recent road closures which went ahead without notice to residents. This affected both Givendale and Millington in August and caused considerable disruption to businesses and residents. We await a reply and explanation.

Community Grants

There are several grants available to us, to put on events, do conservation work, etc. If anyone has any ideas of things they would like funding assistance with, please contact a member of the Council to discuss further.

Waste & recycling centre

Dont forget to take your bin permit, or some form of id showing your address if you wish to use local waste sites, or you may not be able to gain access.

The Gait Inn

Since our last magazine we have said a fond farewell to Stuart and Helen Stephenson from The Gait Inn. They were both a huge support to the village in so many ways and on behalf of the whole Parish we would like to thank them.

Dan and Harriet are our new Landlord and Landlady and we would like to welcome them to the village and wish them every success with their new venture. The charity quiz continues to be held every other Wednesday at 9pm and everyone is welcome to this fun, relaxed evening. The next date is 20th October and don't miss the Xmas special on 15th December.

Bonfire & firework display

The Parish Council has been successful in a bid for a grant from Do it for East Yorkshire Community Grant, administered by East Riding of Yorkshire Council to help fund this event. That means this year's tickets are at a discounted rate. This is a great chance for the community to get together.

The bonfire night celebrations are on:

There will be a make your own guy competition with prizes! Bring them along on the night. Judging of guys will be at 6.30pm

Church news

The Parish Council would like to welcome the new Vicar, Revd Dr Jake Belder. Details of services and events can be found on the Church notice boards, or on the Pocklington Group of Churches website. Lots of events are planned, particularly in Pocklington, over the next few months for all ages and interests.
