

Millington wood

ERYC along with Natural England and The Forestry Commission have laid out plans to remove dangerous trees with Ash dieback from Millington Wood. Areas will be cleared, rested and planted with new species.

Other areas will be thinned out, as the wood contains many rare plants which are being shaded out by the large trees and not thriving. Diseased trees not causing a danger will be left to decay naturally.

The wood will only be closed on days that felling takes place.

Village Hall news

The Village Hall Committee would like to thank all those involved in running the Coronation Tea Party and raffle. The raffle raised £480 towards the roof, this has been set aside until the roofing work commences.

There are a couple of Grant applications in; one we should hear back from imminently, the other towards the end of this year, so keep your fingers crossed.

East Riding Adult Education are hoping to start several one-off taster sessions for various craft activities in the Village Hall. As yet, we don't know what these might be, or when they would be held, but look out for further information if you might be interested.

The Village Hall is always wanting new Committee members to join, if you would be interested in helping out, or would like to know more, please email Rob at rob@ras67.plus.com

Parish Council news

The Big Tea Party

The parish had a fantastic day celebrating the King's Coronation. About 90 residents gathered at the home of Mr & Mrs John Burley for a superb tea party with entertainment provided by The Fogglesyke band and Joe Cheney. Children in the parish were presented with commemorative mugs and Mrs Janet Curtis cut the cake.

The event was funded with a grant the Parish Council had applied for. A raffle was run on behalf of the Village Hall fund which raised £480.

The Fogglesyke band (right) also raised £76 for Macmillan Cancer Support.

New bus service

There is to be a **new bus service** for the village of Millington, due to start in 2024. This is great news for many residents and hopefully it will be well used by them. East Riding of Yorkshire Council (ERYC) will release more details when the timetable is finalised.

Social Committee

The Parish Council wishes to set up a separate social committee to help plan events for the village. The committee would really benefit from new ideas from residents. This would be an informal committee and not a huge undertaking. The next event to discuss would be the village Christmas meal.

Please get in touch with any councillor if you would like to be involved.
